SUMMARY

Computer Science student with a strong foundation in software development, web technologies, and artificial intelligence. Experienced in designing and developing practical applications using modern technologies, with a focus on building scalable, user-centric solutions. Strong problem-solving and analytical abilities, with a demonstrated interest in emerging technologies and continuous technical growth.

CO-CURRICULAR ACTIVITIES

CyberSecurity Member 10/2025 – 08/2026
Google Developer Groups Reva University Bengaluru, Karnataka
- Contributed to AI-Based projects.
- Worked with Cyber professionals
- Coordinated team events, hackathon and seminars.

Web Development Member 03/2025 – 01/2026
DevTrack Bengaluru, Karnataka
- Worked on real world problem statements.
- Collaborated with industry experts.
- Took a fundamental knowledge in production grade web apps.

EDUCATION

BTECH CSE 07/2024 – Present
Reva University Bengaluru,Karnataka
CGPA: 9.3

SKILLS

- Frontend: React JS | Next JS | Tailwind CSS
- Backend: Node JS | Typescript | Express JS
- Tools: Docker | Git & GitHub | Redis
- Others: Problem Solving | Debugging

PROJECTS

Travel Guardian
Travel Guardian
Developing a real-time tourist safety web application that forecast and visualizes risk levels across various locations. Unified Leaflet.js for interactive maps, machine learning
models for risk prediction, and WebSocket for live SOS alerts with secure user authentication.

Travel Guardian

AI-Panel
Developed a web application that allows users to send a single prompt to multiple AI models simultaneously and compare their responses side-by-side. Built with a focus on clean UX, model comparison, and efficient serverless deployment.
AI-Panel

DevDex
Developed an interactive GitHub profile visualization platform that transforms developer profiles into dynamic, game-inspired cards. Integrated GitHub profile data and designed multiple themed card styles, including football, Pokémon, RPG, cyber, and legendary themes, using modern web technologies and responsive UI design.
